Dear Mrs. LaMarche/McCarthy:

Thank you so much for letting us enjoy your artwork for these few years. Your original paintings have been the source of pleasure and conversation for our employees, clients and visitors. We have received many, many compliments.

I miss my friends "The Sentry," "Polar Bear," "Tiger" and "Red Dawn." They have always been there to greet us every morning and brighten our days. I hope they are enjoying their new home.

After meeting you Friday, I see why your art displayed such great warmth and love. You have a story about each painting and a part of you is in each one.

On behalf of all the employees and clients of the Citizens Business Bank Saddleback Valley Business Financial Center, thank you.

Sincerely,

A handwritten signature in blue ink that reads 'David Anduri'. The signature is fluid and cursive, with the first name 'David' being larger and more prominent than the last name 'Anduri'.
